#### What is the Children's Business Fair?

- Our goal is to inspire children to discover their inner entrepreneur. This one-day market gives children the opportunity to showcase their very own businesses.

#### Where should I begin?

- An Information and Brainstorming Meeting will take place **Tuesday, June 25 at 6:00 pm at the Chamber of Commerce Office** (KRCC building by the Village Offices). This informational meeting is a free event, designed to inspire and spark creativity in children who are interested in participating. The meeting is optional, not required for participation.

#### How do I apply? Can I apply as part of a group?

- Applications can be submitted online at [hollyareachamber.com/childrensbusinessfair](http://hollyareachamber.com/childrensbusinessfair). Please submit one application for each business. Children working as a group should submit one application that includes each child's information. No more than 3 participants per business. **Applications are accepted June 1 - July 29, 2019.** Businesses accepted into the fair will be notified and asked to submit a \$10 participation fee by August 6.
